

1000w solar panel price in Botswana

Which solar still is best suited for Botswana?

After years of research and development activities, the RIIC findings concluded that the Mexican and brick solar stills are the best suited for application in Botswana. The Mexican still consists of a moulded fibreglass basin of 1.6 m² base area to hold saline water and has gutters on two sides to collect the distillate.

Why should you choose solar World Botswana?

We offer top-notch solar solutions that are designed to perform reliably in all weather conditions, ensuring uninterrupted performance. Solar World Botswana is your ultimate destination for comprehensive solar energy solutions.
