American solar solutions Lebanon

Our customized solar solutions are designed to maximize your energy savings and reduce operational costs. With a team of experienced professionals, we provide end-to-end services from consultation and design to installation and maintenance.

American Solar has an extraordinary depth of knowledge and experience in solar technology, dating back to the 1980s. That expertise gives our customers the assurance that their solar power, water heating and pool heating systems will be reliable and installed to meet or exceed industry standards.

We have received numerous reports that a for-profit company called American Solar is soliciting by phone. The American Solar Energy Society (ASES) differs from the business "American Solar." ASES does not make outgoing solicitation calls or sell solar panels, as we do not engage in telemarketing of any kind.
