What is Anker solid X1?

Anker SOLIX X1 transforms your power experience. Store solar energy during the day for nighttime use or off-grid. Enjoy savings on your power bill, too. Connect X1 with Anker SOLIX Microinverter and EV Charger (EV Charger will release soon) to create a home micro-grid, then watch free solar power fuel your energy independence daily.

How do I earn money with Anker Solix?

Become a member and receive AnkerCredits with every purchase. You can use them for rewards at the Anker SOLIX Store. Get paid for every friend you refer. The more you share, the higher your earnings. If there's a power outage during this weekend's storm, I feel confident I can run the entire house with the power station.

What is Anker Solix X1?

Seamlessly integrating functionality, flexibility, and aesthetics, the Anker SOLIX X1 is a sophisticated and reliable energy solution that redefines home energy management. This new system is designed to meet the needs of modern homeowners who aspire to combine sustainable energy use with stylish living.

Does Anker X1 have a soft starter?

The calculation of 2350kWh more energy is based on Anker SOLIX X1's 15kWh batteries compared to a traditional home battery over 10 years. A soft starter is required when using X1 to power an air conditioner or a heat pump off-grid. X1 must contain at least three battery modules to reach 100% power at 131°F.
