Do you like film Wedding photography?

While this sharp, clean aesthetic has become mainstream for wedding photos, you certainly don't have to settle for that if you like the soft, grainy feel of film wedding photography. "Film is more imperfect," Nash explains, noting that this style requires a specific camera that has a limited amount of frames.

Should you book film Wedding photography?

"The most important thing couples need to know before they book film wedding photography is how much they will fall in love with the photos," says Ivy and Pine. And we agree - there's a feeling of nostalgia and romance that comes with film wedding photography, and one that you just can't create with other media forms. 2.

Are film wedding photos a good idea?

Plus, for couples who don't want their big day to feel dated by trends, film wedding photos have an effortlessly classic look. "Film has been around for so long that the colors and the images feel timeless," Nash says.

What's the difference between direct flash and film Wedding photography?

Now, there's a renewed focus on both direct flash and film wedding photography. These styles--while technically different--blur the lines between modern times and vintage nostalgia. Plus, direct flash and film photos allow couples to show off their personalities in a fresh way, which is why you're going to see them everywhere.

Is traditional wedding photography right for You?

When you think of traditional wedding photography, you probably envision light colors, bright backgrounds and airy textures. There's no denying this style is beautiful--but it's not your only option for the big day. Just like your wedding itself should be custom-designed to reflect your personality, the same is true of your photography style too.

How many rolls of film do you need for a wedding?

There's no limit to how many rolls of film you have at your wedding - but most photographers offer film photography as an add-on and will bring one or two rolls. It's common to pay by the roll, so the more film shots you want, the more you'll pay - though in our eyes, it's worth every penny! Thinking of booking film photography for your wedding?
