

Guam sbs 60 battery

What is a powersafe sbs-60 battery?

EnerSys PowerSafe(TM) SBS-60 battery utilizes unique and proven technology to provide superior performance with an extended service life in compact and energy dense configurations. PowerSafe SBS batteries are manufactured to the highest international standards and are ideal for reliable use in all wireless and fixed-line communication applications.

What is EnerSys powersafe SBS 60?

The EnerSys PowerSafe SBS 60 battery range utilizes unique and proven technology to provide a superior range of valve-regulated batteries with an extended service life in compact and energy dense configurations.

How do I contact powersafe sbs60?

Call us on 01234 851155 to discuss your requirements and how we can help you find the right product and support. For more information, please call us on +44 (0) 1234 851155 or send us a message below. The PowerSafe SBS60 is manufactured to the highest international standards and ideal for use in wireless and fixed-line communication applications.

EnerSys SBS-60 Battery Specifications: Length: 8.66 (in) Width: 4.76 (in) Height: 10.30 (in) Weight: 40.8 lbs; Capacity: 51 AH; Terminal: M6 VRLA . Applications - The Powersafe SBS 60 battery is a excellent high-rate premium choice for: cable TV, emergency lighting, power generations and offshore applications .

PowerSafe SBS 60 battery. PowerSafe gel batteries are designed with jet aircraft in mind, are shock and vibration resistant, making them ideal for use in rally and racing cars. - Airtight construction - Very short loading time - Resistant to loads, shocks and vibrations - Low weight - Can be mounted vertically or horizontally

PowerSafe SBS batteries are also widely used in cable TV, emergency lighting, power generation and offshore applications. The advanced thin plate, pure lead technology and unique manufacturing methods used by EnerSys, make PowerSafe SBS batteries the best choice for long and trouble-free service. EnerSys PowerSafe SBS Features and Benefits:

EnerSys PowerSafe SBS-60 VRLA Battery 12.0v 51.0Ah EnerSys PowerSafe(TM) SBS60 battery utilizes unique and proven technology to provide superior performance with an extended service life in compact and energy dense configurations.
