

Hoppecke batteries Qatar

Who are Hoppecke industrial batteries?

Welcome to HOPPECKE Industrial Batteries, the UK arm of the German company HOPPECKE Batterien GmbH which has been delivering batteries and power management solutions to customers around the world for nearly a century. Hoppecke Industrial Batteries has been servicing the UK's energy requirements in a range of industries since the early 1980s.

Are Hoppecke car batteries available online?

If you are a fan of AMARON batteries or you have heard about them, you may be pleased to know that Hoppecke is also under operation by Johnson Controls who co-owns AMARON as well. Despite their relative popularity, Hoppecke car batteries are not very easily had online. At The Battery Shop, we have that covered, with a ready supply.

Are Hoppecke batteries CE marked?

HOPPECKE batteries already meet the necessary requirements of the EU Battery Regulation from August 2024 and are therefore CE marked from now on. Trust in our tested quality and always stay on the safe side with HOPPECKE. More transparency and professionalism through more efficient battery management?

How much does Hoppecke batteries make a year?

Note: Revenues for privately held companies are statistical evaluations. Hoppecke Batteries's annual revenues are \$1-\$10 million (see exact revenue data) and has 10-100 employees. It is classified as operating in the Miscellaneous Store Retailers industry.

How many customers does Hoppecke serve?

More than 10,000 customers in 150 countries trust in HOPPECKE products, quality and reliability. You can find an overview of all companies here [\[LINK PDF\]](#) With our products and solutions, we serve four application areas: trak, grid, sun and rail. In addition, all four application areas are supported by the service and its offer.

What is a Hoppecke energy system?

Full-Service models and technical system management. Energy systems consist of perfectly coordinated energy storage devices and added-value generating components. The core element, which is typical for an energy system, is the project and engineering service of HOPPECKE, which makes a system both customer-oriented and of higher quality.
