Generation Crisis: young Syrians come of age in a decade of conflict Damascus, Syria Yamam Al Shaar Updated 19 Jul 2021 23 images Advertisement Trainee flight attendant Ghenwa, engineering student Ali and electronic music DJ Jawad are among a generation of young Syrians to have come of age during the war.

Who are the young Syrians living in Damascus?

Trainee flight attendant Ghenwa, engineering student Ali and electronic music DJ Jawad are among a generation of young Syrians to have come of age during the war. They live in the capital Damascus, which was spared the intense bombing raids that destroyed opposition bastions such as Aleppo but life for the twenty-somethings is far from normal.

Who are the young Syrians who came of age during war?

REUTERS/Yamam al Shaar Acquire Licensing Rights DAMASCUS, May 25 (Reuters) - Trainee flight attendant Ghenwa, engineering student Ali and electronic music DJ Jawad are among a generation of young Syrians to have come of age during the war.

Is Syria still a 'barely standing' country?

Syria is "barely standing. It needs a lot of work, it needs a lot of love," he said. "It's a completely new Syria now, a country for everyone." Canada said on Tuesday it will continue to evaluate its remaining asylum claims from Syrian refugees even as some European countries are pausing those claims after Assad's fall.

2020, Scandinavian Journal of Public Health. Aims: Millions have fled from the civil unrest in Syria, and half of these are children and youth. Although they are a population with an elevated risk of health problems due to adverse pre-migratory and post-migratory experiences, few studies have explored their health-related quality of life (HRQoL).

Many Syrian children have experienced war and violence at close hand and have been forced to move, leaving their home, family and friends. They have seen or heard guns, bombs and fighting; many have seen someone die, and sometimes these were family members or loved ones [4-6].Pre-migratory adverse events and the complexities of post-migration ...

Taking an ethnographic point of departure in the stories of three Syrian middle-class men in Amman, Jordan, in this article, I zoom in on the role of care in the everyday of exile, as I explore the young men's attempts to be "responsible" young men despite challenging circumstances. Guided by Ahmed's (2006) notion of lifelines, defined as those which direct us ...

06/19/2022 June 19, 2022 "Syria -- Against Forgetting," at Cologne's Rautenstrauch-Joest-Museum, focuses on Syria's artistic and cultural heritage and pays tribute to the country before the war.

Trainee flight attendant Ghenwa, engineering student Ali and electronic music DJ Jawad are among a generation of young Syrians to have come of age during the war. They live in the capital Damascus, which was spared the intense bombing raids that destroyed opposition bastions such as Aleppo but life for the twenty-somethings is far from normal.

As a younger Syrian who has lived abroad, I find it sad that this is happening but it had an opposite effect on me. I see that we as a people have been suffering for a long time and we are being driven away from our land and it pisses me off because we deserve to have stability in our own country without having to move and immigrate and tear ...
