

Photovoltaic waterproof walkway board

Are Polyroof systems waterproof?

No matter the size, shape or complexity of a roof, Polyroof's liquid systems will form a seamless waterproof membrane across the entire roof area. The finished surface is tough, flexible and impervious to water. With proven lifespans in excess of 25 years, Polyroof systems are the number one choice for all flat roof and balcony applications.

What is a Dura-walk balcony system?

A range of Dura-System primers are available to treat and prepare various surfaces and roof deck materials, ensuring a strong and watertight adhesion to the liquid membrane. The Dura-Walk balcony system is UV and wear-resistant, available in multiple finishes for total aesthetic control.

Do you offer free standing Walkway systems?

We can provide both free standing and wall mounted walkway systems in varying designs from contemporary curved styles to more traditional apex roofed structures, allowing you to choose the walkway to suit your area. All our standard free standing walkway systems can be tailor-made to suit your requirements.

What are the benefits of a covered walkway?

Covered walkways are a popular addition to schools, hospitals and care homes creating dry link ways between buildings for pupils, visitors or staff. Installing a covered walkway helps prevent mad dashes between buildings in the rain and slippery paths in the cold weather.

Do you offer bespoke covered walkways?

We can incorporate complex angles, turns and differing ground levels to follow the path you require - an example of this can be seen at Thundersley Primary School in Benfleet Essex. We also offer a range of bespoke covered walkways where we can work with specialist companies to bring you designs built to your specifications.

Can you fit a side fill to a walkway?

We can also fit side fills to your walkway to provide extra protection against the weather. We can incorporate complex angles, turns and differing ground levels to follow the path you require - an example of this can be seen at Thundersley Primary School in Benfleet Essex.
