The system consisting of 20 solar panels of 550w, 3 nos. 12kW inverter and 4 nos. 10kWh lithium batteries. Before system installation, our client was paying Ksh. 40,000 per month on electricity bills. This was his biggest frustration. He reported to us that he now gets a bill of about Ksh. 1000 per month! Most months he saves 100% with our system.

We specialize in renewable solutions such as solar and power control solutions such as power back up systems which provide electricity without depleting the earth's limited resources. We achieve this by offering both hybrid and stand-alone systems.
