

Reco energy solutions Togo

ReCo energy solutions Houston, TX employee reviews. Operator in Houston, TX. 3.0. on October 10, 2023. It's okay . The pay is not the best if you don't have experience and the work environment is not too bad. You start off on night shift n move up to the day shift. Not much room to grow I'd say, leadership is tight and not much of a lead ...

About ReCo Energy Solutions. Established in 2022, ReCo Energy Solutions is made up of experienced natural gas pipeline and energy industry professionals. We have a passion for building and providing best in class solutions that meet ...

At RECO, we engineer energy solutions to meet international methane emission reduction targets - a critical step for swift climate change mitigation. Methane, with a global warming potential 83 times greater than CO2 over 20 years, is the short-lived greenhouse gas that matters most in the immediate fight against global warming. Know More
