BANGUI, Central African Republic (AP) -- Hours after Russian mercenary leader Yevgeny Prigozhin rebelled against his country's top military leaders, his private army's biggest client in Africa panicked, turning for help to his foe in the West.. Officials from Central African Republic, where some 1,500 of Prigozhin's shadowy Wagner Group mercenaries were stationed, wrote ...

Russia is the leading exporter of arms to Africa controlling forty-nine percent of the overall arms market in Africa. 13 Algeria, Angola, Egypt, Morocco, Nigeria, Sudan, Senegal, and Zambia are the leading customers of Russian arms in Africa. Russian arms are seen as affordable, easy to maintain, and reliable.

We at Biomax Africa Ltd will make controlled use of this energy resource, which forms the basis for our existence. The applications of Solar Energy are immensely far & wide. Solar energy technologies will enable the efficient use of solar radiation for practical ends. All our products are manufactured in Europe.

Our commitment is to succeed in satisfying all your energy needs. Solar energy is increasingly finding its validity in today"s times where the non-renewable sources of energy such as petroleum, coal, etc are decaying at a steady rate.
