

Solar backup kit Palestine

Is solar energy a viable investment in Gaza?

According to the journal Energy, Sustainability and Society, 20 per cent of households in Gaza now rely on solar energy. "Over the past two years, entrepreneurs have turned to solar energy because it saves (money) and is a profitable investment," said Shehab Hussein, an engineer at local solar kit company MegaPower.

Can solar panels help cut energy bills in Gaza?

Businesses and households in the blockaded Palestinian enclave are turning to solar panels to keep the lights on, and it's helping cut their energy bills. Blockaded by Israel since 2007, the Gaza Strip only has electricity for 12 hours per day on average - less when the conflict escalates.

Are solar panels still used in Gaza?

Raya al-Dadah, head of the Sustainable Energy Technology Laboratory at the University of Birmingham in the UK, says that the solar panels her family uses in Gaza are over 15 years old, so they are no longer new, but, she says, "the water in the shower is still very hot".

How much do solar panels cost in Gaza?

According to him, solar panels can be installed for a starting price of around EUR1,000. Most of the solar tiles used in Gaza come from China. With a minimum of maintenance, they can be used for several years, but their batteries must be changed every two or three years.

Why did Yasser al-Hajj install solar panels?

Yasser al-Hajj, who owns a seaside fish farm and restaurant, installed solar panels six years ago. "Electricity is the backbone of the project. We rely on it to provide oxygen for the fish, in addition to drawing and pumping water from the sea. Without electricity, our project is dead", he told the AFP news agency.

How big are the Solar Panels? How many? We size with versatile, rugged and easy-to-install 100w panels. Take the kit name (RPS 200) and divide by 100 watts for the number of panels in the kit. $RPS200 = 2 \times 100w$ Solar Panels. $RPS800V = 8 \times 100w$ Solar Panels. Once over 1.5HP Pro Kits, large 300+ watt panels are used.
