Solar energy roof Heard and McDonald Islands

Good reasons to invest in a Solar roof. A Solar roof differs significantly from conventional roof types. A Solar roof - unlike other types of conventional roofs such as tile, slate, felt, etc. - creates value from the moment it is installed, rather than losing value over the years until it needs to be replaced again.

The Heard Island and McDonald Islands Marine Reserve is currently being reviewed by the Australian government. Current protection levels are inadequate to protect areas of significant conservation value in this region, such as foraging grounds for species like the HIMI penguins. If we want to protect this pristine wilderness and ensure the ...
