

Solar service provider Malta

Why should you choose SunPower solar panels in Malta?

SunPower solar panels in Malta are the best in Malta and the world. They can help you reduce your electricity bills and carbon footprint while providing a sustainable lifestyle for years to come.

Who owns the Solar Grid in Malta?

In Malta the grid belongs to Enemalta Corporation. The Kyocera /Hyundai /JA Solar photovoltaic panels are installed on the roof and produce high voltage DC current. This is fed into an SMA/SolarEdge/Huawei inverter which stabilises the voltage and current, then changes it into AC current at 230V, suitable for Malta's supply.

Which solar panel brands does Renergy work with?

Renergy works with the best solar panel brands, including QCells from Germany, LG, and Sunpower from the United States.
