

Syria bess control

How did Syrian rebels take control of Damascus?

In just two weeks, Syrian rebel forces have swept from the northwest and taken control of Syria's major cities in quick succession, forcing the fall of President Bashar al-Assad. The rebels moved along a north-south corridor that forms the country's main spine, to take Damascus, the capital, without a fight.

Who controls Syria?

Syria has for years been controlled by a patchwork of rebel groups including HTS in Idlib and Kurdish-led groups in the country's north east, some of which have also taken territory in recent days and weeks.

Did Syria open a new beginning after 'victory' over Assad's brutal regime?

Syria has opened a new beginning after the 'victory' over Assad's brutal regime, HTS leader Abu Mohammad al-Jolani told crowds from the Umayyad Mosque in Damascus today. 'There's no house in Syria which wasn't hit by the fire of war,' al-Jolani said. 'And thanks to Allah, today you will be spared, God willing.'

Did a coalition of Syrian rebels' moment of historic opportunity'?

Follow NBC News' live updates here. A coalition of Syrian rebels has toppled President Bashar al-Assad's government and captured the capital, Damascus. President Joe Biden called it a 'moment of historic opportunity for the long-suffering people of Syria' in remarks at the White House today.

How did the rebels take control of Syria?

After years locked behind frozen frontlines, the rebels mounted a lightning advance, culminating in the toppling of the president and takeover of the capital at the weekend. After taking Syria's second city Aleppo at the end of November, the rebels continued their offensive, moving south to take control of the city of Hama last Thursday.

Would Syria's rebels have been better positioned to save Assad?

Without Israel's blows against Hezbollah and Iran, Israeli analysts and leaders say, Syria's rebels might not have dared revive their rebellion against Mr. al-Assad. And Iran and Hezbollah, which had propped up his regime for a decade, might have been better placed to save him.

President Bashar al-Assad strode into the Arab League summit in Jeddah, relishing the clearest recognition yet that he has won his war for Syria. He was embraced by the Saudi Crown Prince Mohammed ...
