Timor-Leste won the battle of independence, Timor-Leste won the battle of democracy, Timor-Leste now has to win the battle of development, and I am comforted by seeing the commitment I heard here from the ladies and gentlemen in this regard. Timor-Leste is an important example of people-centred development.

Timor-Leste industrial power solution

The 20th anniversary of the popular consultation that brought independence for Timor-Leste has been a time to celebrate the courage, determination, and persistence of the Timorese people. Despite enduring decades of violence, they never lost their hope for self-determination. Timor-Leste today is a free and sovereign nation.

Timor-Leste emerged from centuries of colonization and occupation less than 20 years ago when, at the stroke of midnight on May 20, 2002, the blue United Nations (UN) flag was lowered and Timor-Leste's tricolor flag of red, black, and yellow went up after 24 years of brutal Indonesian occupation.
