

Trinity energy storage Tanzania

Why did Trinity Energy Invest in nesitu?

Trinity Energy has invested in a robust supply chain that consists of a storage facility in Nesitu with a capacity of 6 million litres. We believe that this investment together with our social programmes and commitment to the growth of the private sector will lead to a much-needed socio-economic development in South Sudan.

How much did Trinity Energy Invest in Juba?

The facility was subsequently enhanced to USD 50M in 2020. Trinity Energy has to date invested over USD13 million in its current retail network in Juba and a further over USD5 million in the largest petroleum storage terminal in South Sudan.

Is Trinity Energy a pan African Company?

While Trinity Energy may have its roots or origins in South Sudan, Ayii is resolute in his drive to give the company a Pan African dimension. At a time when many considered South Sudan a basket case and fled the country because of political instability, Ayii and his team weathered the storm and today Trinity Energy is the market leader.
