

Yingli Solar Power Generation Promotional Materials

Who is Yingli Energy Technology Group?

Yingli Energy Technology Group is one of the world's leading providers of BIPV products and integrated photovoltaic solutions, which aims to provide clean energy for all and build a Zero-carbon world.

Who is Yingli Solar?

Yingli Solar is headquartered in Baoding, China. Standard Warranty China, Yingli Energy Development Company Limited, known as Yingli Solar, is a leading solar solution provider. Yingli Solar is committed to providing clean, renewable energy through PV power generation technology for f

Where are Yingli solar panels manufactured?

Yingli Solar, headquartered in China, manufactures solar panels using advanced technology. The company sells its solar panels in New Zealand via distributors and has won many awards for its panels. Yingli Solar produces and supplies the following solar modules:

How many solar panels did Yingli produce in 2018?

In 2018 they shipped 1.7 gigawatts of panels, which was little more than half their 2014 production. Company History The company's full name is Yingli Green Energy Holding Company Limited. It was founded in 1998 and commenced production of solar panels in 2003. It rapidly expanded and became the world's largest manufacturer in 2012 and 2013.

What are the key research and development platforms of Yingli group?

State key Research and Development Platforms of Yingli Group -National Key Laboratory of Photovoltaic Materials and Technology -National Key Laboratory of Energy and Photovoltaic Technology -National Technical Standard Innovation Base of Photovoltaic -National Enterprise Technology Center -National Center for International Research

What are the different types of solar building materials?

1. Photovoltaic Materials: cells, Tabbing Ribbon, Bus Ribbon, Junction Boxes, Connectors, etc.
2. Photovoltaic Modules: Single glass modules, Double glass modules, HIT modules, All black modules, etc.
3. Green Building Materials: Solar Brick series, solar Tile series, solar Glaze series and other photovoltaic building components
- 4.

With the business development mode of "innovation + technology + industry + service", Yingli Solar has rapidly realized the layout of the national PV market. Up to now, Yingli Solar has obtained 2 GW as quota for power plants in Baoding ...
